

A26

▶ A NEW BREED WITH
UPTIME IN ITS DNA.

MEET THE INTERNATIONAL® A26 ENGINE UP-CLOSE AND PERSONAL.

On TUESDAY, NOVEMBER 14th, G.L. Sayre, Inc. will be hosting the International® A26 Engine Mobile Training Tour. It's your chance to experience the simplicity and quietness of this totally re-engineered engine, born with uptime in its DNA.

Come see what makes this new engine so special while enjoying a catered lunch at our Product Showcase & Reception.

Watch for us on the road, too! We put two 2018 International® LT™ Series trucks, equipped with the International A26 engine, on the road to pull our trailers - and they're headed your way.

We look forward to seeing you at the International® A26 Engine Mobile Training Tour!

TUESDAY, NOVEMBER 14TH
